Owner's Suite

The vast and open Main Salon, with the stylish, yet modern Bar and Dining Room ensuite, provides a comfortable, intimate and relaxing area for formal entertainment. Visually separating the Salon and the Dining Room is the free-standing ornamental stairway which leads to the less formal entertainment areas on the Upper Deck.

The Dining Room which comfortably sits a party of fourteen, offers a unique setting for exquisite candlelight dinners. The Cordon Bleu chef's glowing creations are tailored to meet the guests' desires.

The honey-brown Tanganyika wood used throughout the yacht creates a warm atmosphere that complements the fittings and the generously proportioned sofas and armchairs in a harmonious environment.

Beyond the Dining Room is the Main Foyer leading to the Owner's Suite as well as to five guest Staterooms on the Lower Deck. The Owner's Suite includes a private study with dedicated Internet access, a spacious king size bedroom with a complete entertainment centre, a large walk-in dressing room and "His" and "Hers" bathrooms ensuite separated by a Jacuzzi tub.

INSIGNIA's functional and modern design allows easy access to all the exterior areas, and the swimming platform. The Upper Deck's 180 degrees glass-enclosed lounge is serviced by an open Bar. The lounge is equipped with a surround sound stereo system and a large pull-out projection screen. The sliding doors open up to access an integrated open-air area for al-fresco dining for fourteen, a Bar, seating areas, and the gym equipment which is also located on this deck. The Sun Deck invites guests to relax in the Jacuzzi surrounded by sun bathing pads, or to enjoy a cocktail from the wet Bar.

*INSIGNIA's overall design and compliance with SOLAS and MCA regulations and requirements ensure total comfort and safety in state of the art features.*
